COACH'S CORNER

Welcome to the Page High School football team. We are excited to have you as a part of our program.

Football is a great way to learn teamwork and build character. We have a great group of coaches and players, and I know you will enjoy being a part of our team.

We expect our players to work hard, be respectful, and have fun. We believe that football is more than just a game. It is a way to build character and learn life lessons.

Here are some additional things to keep in mind:

- Attendance is mandatory. You will need to attend all practices and games. Players with more than 2 unexcused absences will be excused from the team. Oversleeping your alarm is not excused. Church trips, family trips and football camps are all considered excused.
- You will need to be in good physical condition. We will have a preseason conditioning program to help you get ready for the season.
- You are expected to behave in a respectful manner at all times. This includes on the field, in the locker room, and in the classroom.

We are looking forward to a great season!

Sincerely,

Charles Rathbone
